

BIBLE STUDY

GALATIANS

6 sessions – Thursdays at 10:00am
February 14, 21, 28 & March 7, 14, 21

In his letter, the apostle Paul addresses specific false doctrines that were running rampant in the churches in Galatia – but his letter is just as applicable for us today. Our relation to the Law and Gospel is explained, always coming back to the promises of Christ. The study incorporates video presentations each week by author A. Andrew Das who will help walk us through the letter, guiding our study of this epistle and leading us back to the Truth revealed in Scripture.
